

AMY CATERINA / PALOMAR COLLEGE / PHOTO 120

EXPORTING A CATALOG FROM LIGHTROOM

TO EXPORT YOUR IMAGES AS A CATALOG FOR SUBMISSION

1. Choose the folder that includes your images
2. Select the images
3. File > Export as catalog
4. Save as > lastname_proj2
5. Check the 3 boxes: Export selected photos only, Export negative files and include available previews.
6. Choose a location to save the Export and click the "Export Catalog" option.
7. A folder is created with the catalog, previews and the same file structure as the original image folders in your catalog.
